Rise in Prices of Gold and Silver

3829. SHRI MUKHTIAR SINGH MALIK :

Will the Minister of FINANCE be pleased to state :

(;i» whether it is a fact that the p'ket of gold and silver have again gone high in tic ct.untiy ;

(b) whether Government propose to import gold and silver from foreign count ries to meet the demand of gold and silver;

(c) if not, what arc the reasons therefor; and

(d) what is the estimated demand for gold and silver in the country at present and also its production ?

THE MINISTER OF STATE IN THE DEPARTMENT OF ECONOMIC AF-FAIRS IN THE MINISTRY OF FINANCE (SHRI BDUARDO FALEIRO) : (a) The domestic price of gold showed a rising trend during 1987 and it reached peak levels in November, 1987. Thereafter the prices have generally shown a declining trend. Similarly for silver, as against the rising trend noticed during 1987 and upto February, 1988, the prices have fallen modsraiely in the lecent months.

(b) and (c) Gold and Silver are not essential commodities and they are possessed by a small minority in society and their possession does not contribute to the economic development of the country. Government therefore has not found it necessary to import gold and silver, committing scare foreign exchange, to meet ihs domestic demand or to take any other special steps to regulate the prices of these metals.

(d) Government has not made any estimate of the total demand of gold and silver in the country. According to available information, however, the domestic
